Hi Joan!

Do you happen to have the mobile terminal for our BofA account? Leslie mentioned to me that she didn't have it.

Please let me know, thanks!

Jenn

We have a mobile terminal for our BofA account, which I never personally use. Joella (our former event manager) would use it for onsite event registration, so Leslie should now have it.

If I run any credit cards, I use PayPal's virtual terminal online.

Hey Jo!

Is CCA set up to receive cc payments not using SBA? This payment is non-membership related. Let me know, thanks!

Joanne and Leslie might know, since they process payments for meeting registration....even though this is not member-related, it might work the same way?

Hi Jennifer,

Is CCA set-up to receive credit card payments directly rather than through PayPay? I just don't know. You may want to ask Joan Noble.

Thanks,

+Marcus - Marcus, we have a client who would like to pay us via Amex vs cutting a check. This is no membership related, how do you suggest we go about doing so?

Heidi just called about this. Tom is confirmed for the \$10K. She wanted to know if they can pay via AmEx, and how soon we'd like the payment?

Dear Tom:

Per our discussion, attached is a letter asking for your support on our public safety task force. I have also attached proposals from Abernathy MacGregor and Center for the Study of LA at LMU. I would like to remind you that this is still a confidential plan.

Please feel free to reach out if you have questions. I appreciate your consideration and look forward to our continued work together.

Best regards,

Jessica
